

Students should carefully read their assessment schedules for a clear indication regarding assessment matters/weightings and examinations.

All students are advised:

- to **read** the timetable with care, particularly relating to starting times for examinations - leave plenty of time for getting to the examination room calmly.
- to **discuss** with your Home School Contact Teacher, well ahead of time, the specific examination venue you will use at your school.
- to **read** and **comply** with all instructions in the document '*Instructions to Students and Contact Teachers Regarding SCIL Examinations*'. This document is located under the 'Examinations' header in the SCIL Student Home Course.
